

June 2022

Dear Participant,

The Iron Workers District Council (Philadelphia & Vicinity) Health Benefit Plan and BeneCard PBF are committed to providing you with a comprehensive prescription benefit program for the best value.

We are excited to announce that you now can obtain maintenance medications at **CVS** and **ACME** in addition to **Rite-Aid, Walgreens, Costco**.

What is a maintenance medication?

Maintenance medications are medications used on a long-term basis, up to 90 days. These medications are intended to treat chronic conditions such as diabetes, asthma, and high blood pressure.

What are the advantages of extended day supplies?

By obtaining an extended 90-day supply of medication, you can save on your out-of-pocket costs. Your copayment for the 90-day supply will be just two times the retail copay that you would spend per 30-day supply, a savings of 33% compared to obtaining three separate 30-day fills. You will also only need to go to the pharmacy four times a year to fill a maintenance prescription instead of making the trip once a month.

Visit benecardpbf.com or use the BeneCard PBF mobile app to access our pharmacy locator tool and discover participating network pharmacies near you. If you prefer, you can continue to fill prescriptions for maintenance medications using mail order at Benecard Central Fill.

How do I get started?

Changing to extended day supplies is easy.

- Contact your prescriber and ask them to submit a new prescription for a 90-day supply to the retail network pharmacy of your choice.
- Contact your retail pharmacy and ask them call Benecard Central Fill at 888-907-0090 to have your existing mail order prescription for a 90-day supply transferred to their retail location.

If you need to speak with someone about your prescription benefit, please contact Fund Office at (215-537-0900 or 800-473-5005) during normal business between 8am and 4:30pm. For assistance outside of these hours, please call BeneCard PBF Member Services at 1-888-907-0050 which is also located on the back of your member ID card or use the tools available in the BeneCard member portal or BeneCard mobile app.

Sincerely,

Iron Workers District Council (Philadelphia & Vicinity) Health Benefit Plan
