It's Time to Enroll!

October 17 – November 11, 2022

Open Enrollment is your annual opportunity to enroll in or make changes to your benefits. It's simple and convenient!

3 Steps to a Successful Open Enrollment

1. Explore

Discover your benefit options in the 2023 Benefit Guide.

2. Evaluate

Review your current coverage to see if you need to make changes for 2023. Determine if you need to add or drop dependents from coverage.

3. Enroll

Visit iwdcpa.com to download and complete an Enrollment Form. **If you are not making changes, you do not need to fill out an enrollment form.**

Be sure to enroll by November 11, 2022 to have the coverage you need in 2023.

Please note: In order to elect coverage during Open Enrollment, you must have enough Credits in your HRA to cover at least three months worth of the Health Plan option you wish to select.
