

Prescription Benefits in the Palm of Your Hand

BeneCard PBF is constantly at work to improve your online experience and ease of access to your prescription benefits. The BeneCard PBF Mobile App provides fast, easy, secure access to member services from anywhere using your smartphone or tablet.

Mobile App Features

- **Mail order made easy with Benecard Central Fill.** View prescriptions due to be refilled, request refills, and track the status of your orders.¹
- **Network pharmacies at the tip of your finger.** Use the Pharmacy Finder feature to locate network pharmacies nearby or in areas where you may be traveling.
- **Drug pricing tool to help you make the most of your benefits.** Compare drug pricing at up to five different pharmacies at once to ensure you're getting the best value on your prescriptions.
- **Temporary ID cards online.** Access an image of your member ID on the app for easy use when on the go.²
- **Secure servers.** All traffic through the app is encrypted to protect your privacy. Automatic logout features help keep your information safe.

Getting Started

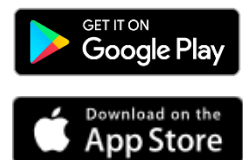

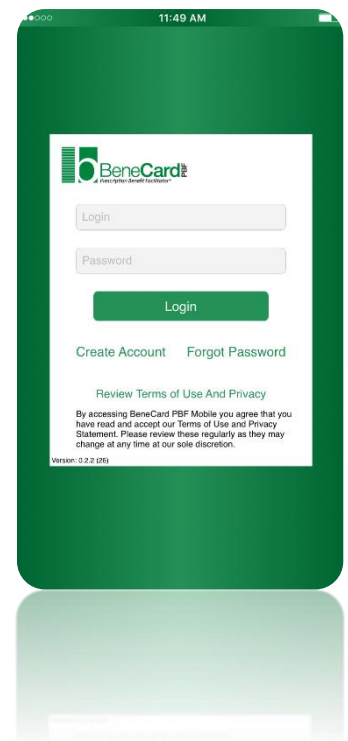

To use the free app, simply log in with your benecardpbf.com username and password. If you haven't already created your BeneCard PBF online account, visit www.benecardpbf.com to register.

Where to Download

- **Google Play:** Search for "BeneCard PBF" on Google Play to download.
- **The App Store:** Search for "BeneCard PBF" in the App Store to download.

Questions About the App
